Antimicrobial properties	<input type="radio"/>	<input type="radio"/>
Sterilization Autoclave	<input type="checkbox"/>	<input type="checkbox"/>
Color	 <p>Standard color: Silver, Blue, Green, Orange, Red, Pink</p>	 <p>Transparent color and Paintingless metallic</p>

# Advantages of products

Forceps made of 100% all resin

No painting is done

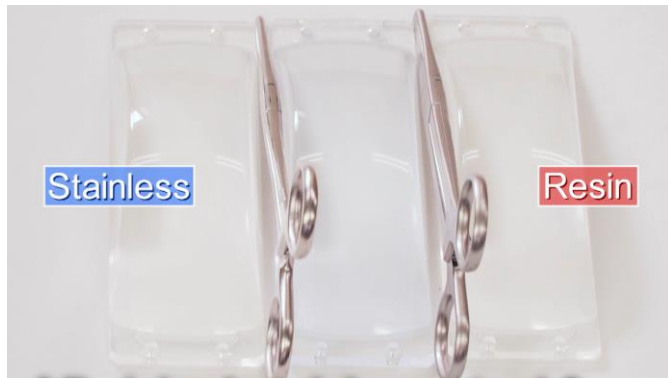

Autoclave allows multiple use

This product has can be antimicrobial properties

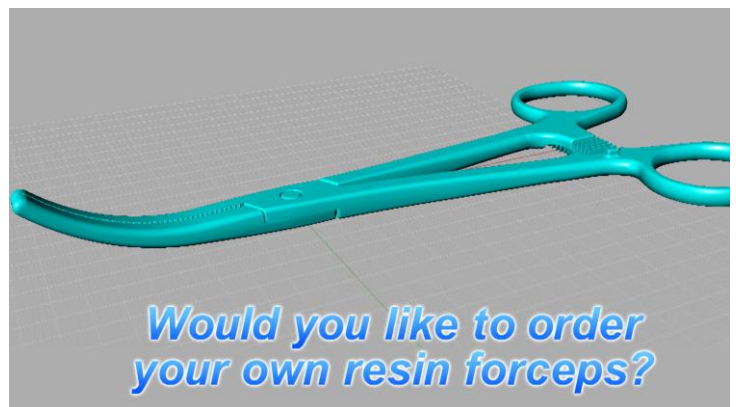

Light Weight

Slimness like stainless

Qualification standard  
- ISO9001 certification  
- Medical equipment manufacturing registration  
13BZ201133

Nisshin Industrial Ltd.  
We will realize your innovative ideas with  
our plastic technology!
